Dear Doctor:

Subject: Claim of [REDACTED],
Piqua, Ohio.

Some time ago we advised you by long distance conversation that suit had been brought by [REDACTED] of Piqua, Ohio, against our Dealer, Howard W. Miller, for damages claimed due to impairment of health by Ethyl Gasoline fumes.

We now wish to inquire if you have had an opportunity to carefully investigate the claims of said George L. Stoker. If so, we will be pleased to have your report on this subject.

Very truly yours,
REFINERS OIL COMPANY
