MEMORANDUM

June 5, 1980

To: Vinyl Chloride Project Panel, Research Coordinators
and Audit Task Group

Subject: May 14, 1980 Minutes Correction

It has come to my attention that an error was made in Item 6.0 of the May 14 minutes. The case referred to is Paul Waldrop v. Vistron Corporation (not Union Carbide). The plaintiff was a former employee of Uniroyal, Inc. and Uniroyal has been named as a corporate defendant along with Vistron Corporation, American Cyanamid Company, E. I. du Pont de Nemours and Company, Monsanto Company, Standard Oil of Ohio, and Continental Insurance Company. CMA has also been named as a defendant and has retained the firm of Liskow and Lewis in New Orleans to assist in our defense.
