John,

I could do lunch tomorrow. We could meet at noon but I'd need to leave at 12:50 to be back for a 1 pm meeting. Does that work? The Exchange as the location?

Thanks,
Scott

Scott,

Unfortunately, I won't be in town next week or the week after and I would love to chat even just briefly before the meeting on April 12. Any chance you could do breakfast or lunch tomorrow or grab a cocktail after work? I could also just stop by your office. I have a new idea to suggest that might be a silver bullet or might not help at all. ↑

I have a book entitled The Central Arizona Project 1918 1968, that I would like to give you or, if you can't take it as a gift, I will loan it to you. It is about the 50 year process leading up to the passage of the CAP by Congress and how NGS came to be built. It was published by the University of Arizona Press↑ and I think you would find it interesting.

All the best.

You can reach me at my office 202 772 8473 or on my cell (b) (6) I will be in my office all day tomorrow except for an appointment on the Hill from about 11:00 to 12:00.

John

Subject: rescheduling lunch

Hello Congressman Shadegg,
I got your message about needing to reschedule lunch on 4/4.

I could do 4/6 or 4/7 next week, or 4/13 or 4/14 the following week. Let me know if any of these days might work for you, or we can find another time.

Thanks,
Scott
