Problem Solvers FOR PAINTERS!

THERE'S A SPECIAL GLIDDEN HOUSE PAINT FOR EVERY

ENDURANCE HOUSE PAINT

Solves the problem of arm-tiring brush drag — gives all-weather protection. Endurance is the first choice of many homeowners! Surface stays bright, clean-looking longer. Available in white and colors. For siding, trim, and shutters.

ENDURANCE NON-CHALKING HOUSE PAINT 1892 WHITE

A special white house paint that won't wash down on masonry — won't leave unsightly white paint streaks. For siding, trim, shutters, and tinting.

IMPERIAL ONE-COAT HOUSE PAINT 1867 WHITE

Cover previously painted white surfaces in one coat. Imperial does the work of two coats of ordinary house paint! Unbelievable hiding power... long lasting whiteness... smooth heavy-bodied. It flows out beautifully.

MILDEW & F RESISTANT HOUSE PAINT 1850 WHITE

Specially formulated high fume and m... areas! Super resists smoke, mildew and cal fumes! A super for wood, masonry metal.
