Subject EXAMINATION OF BBH MONITORED ROOFS IN THE HOUSTON, TEXAS, SHREVEPORT, LOUISIANA
AND BATON ROUGE, LOUISIANA AREAS

We have checked with our men in the areas mentioned above and they will all be available to help you with your roof inspection sometime around the end of October or the beginning of November.

If you will advise us further when your plans are more definite we will see that everybody is ready on the days you indicate.

Best regards,

JKC/ae
