**Financing can often make
the difference!**

Correct financing is just as important as the house itself. Improper financing can bury it under worries.

Bank of America's real estate loan service gives you the opportunity to select the type of loan best suited to your personal budget. You are served by bankers who are your neighbors and who value your good will.

If you need money to buy real estate; to refinance, or if you wish to borrow on real estate for any purpose, come to this bank.
