Mr. R. D. Shaver
Manager of Safety - System
The Atchison, Topeka and Santa Fe
Railway Company
80 East Jackson Blvd.
Chicago, Illinois 60604

February 7, 1975

Dear Mr. Shaver:

Reference is made to your letter of January 28 in connection with posting the OSHA posters on railroad property.

Even though Burlington Northern has received a citation for this type of violation, our legal department still does not feel that the OSHA posters should be displayed.

Sincerely,

R. C. Lindquist,
Director, Safety & Rules - System
