April 28, 1970

Dr. T. K. Sloat
Manager, Materials
Transformer Division
Westinghouse Electric Corporation
469 Sharpsville
Sharon, Pennsylvania 16146

Dear Dr. Sloat:

Enclosed is a copy of the status of animal toxicity studies with the PCB's. You will recall that I gave a copy of these data to each of your associates but did not have available a third copy when you were here.

Best personal regards.

Sincerely,

Elmer P. Wheeler
Manager, Environmental Health
