Dear Quin,

Thank you for your email. I'd be delighted to schedule a meeting between your Chairman and the Secretary. As of right now, the Secretary is potentially traveling that week. Do you mind if I follow up with you later this week to confirm a day and time? Thank you for your patience.

Leila

Vince: Regarding one critical follow-up item from our discussion yesterday – potentially arranging a meeting between the Secretary (and you) and Pat Vincent-Collawn, EEI Chairman and Chairman, President & CEO of PNM Resources – the note below summarizes logistics for Pat's next scheduled trip to DC in early October. I debriefed with the PNM team and they are very desirous of such a meeting and deeply appreciative that the option is even on the table. In summary, we're looking at the afternoon of Wednesday, October 4 and the morning of Thursday, October 5.

The EEI team will continue to coordinate with DOI and to support Pat and her staff on this important issue, but I've purposely included contact information for PNM's Maureen Gannon. Maureen is helping to manage PNM's internal efforts and is very close to both Pat and the EEI team. She will be a good add for your Rolodex relative to land management and natural resources issues, plus she is exceptionally close to and held in high regard by her peers in other operating companies.

Gisella, thanks for your continued, thoughtful assistance in helping the EEI team navigate properly with Vincent and others at DOI.

Leila, we haven't met yet, but I coordinate closely on all of EEI's outreach to and communications with DOI, including your recent exchanges with Jim Owen, who heads up our member and meeting services group. I look forward to meeting you in person.

Thanks again everyone, and do let me know if the October dates are in the realm of possibility. Cheers, Quin

As an fyi, I did check on Pat's schedule she arrives in DC on Tues, October 3rd and has a speaking engagement on Wed, October 4th from 9 to 10:30 am. She could meet the afternoon of the 4th or possibly the morning of the 5th. I am happy to help coordinate but wanted you to know as you are working things from your end.

Thx.
