Painted Walls

THE IDEAL SETTING

You've noticed this, of course:
Certain modest little homes have
a charm that pretentious places
lack. What's the secret? Often,
it's merely artistic use of COLOR!

With FULLERGLO, you can
make your rooms both *colorful*
and *restful*. Painted walls and
woodwork form an ideal setting
for furnishings and draperies.

The soft tones and satiny sur-
face of this enamel-like finish
will delight you. It's practical too;
withstands repeated washing.

FULLERGLO is equally pop-
ular for furniture; and so easy to
apply that you can do the work
yourself. For large jobs, however,
it is better to employ a painter.

FULLERGLO comes in twelve
delicate colors and white. Your
Fuller Dealer, listed below, will
gladly give you a color card and
help you with your painting.
