

1 Medicine at Baylor.

2 A That is an adjunct position, sir, not
3 associate professor. Although the wording is there,
4 it was quite a bit different.

5 Q Okay. What was the nature of that
6 position?

7 A It was basically to allow me access to the
8 facility for the purposes of doing research with the
9 people in that department.

10 We were conducting research for NASA in
11 regard to some problems that were occurring in the
12 space shuttle program, and we were doing work in the
13 facilities of the Baylor College of Medicine within
14 that department.

15 Q Okay. Dr. Weir, let me ask you this: Have
16 you published any scientific articles or studies?

17 A Yes, sir, I have.

18 Q And the jury has heard a lot about
19 peer-review literature and what that means.

20 Just let me ask you this: Are some of those
21 studies and articles peer reviewed?
