

FOR IMMEDIATE RELEASE

NEW YORK, JUNE 7, 1966 - National Lead Company has announced the following personnel changes in the company's paint division.

Gordon F. Frey becomes manager of the St. Louis Branch paint division succeeding Harry E. Bodine who retired June 1 after 35 years of company service. Mr. Frey came with the company in 1947 as a salesman for the Boston Branch. He was named trade sales manager of the Boston Branch in 1954 and of the St. Louis Branch in 1956. He was graduated from the University of New Hampshire.

Freeman Miller succeeds Gordon Frey as trade sales manager of the St. Louis Branch. Mr. Miller joined National Lead in 1962 as a sales representative of the Philadelphia Branch covering the North Carolina territory. In 1964 he was transferred to the Atlanta, Georgia territory and in 1965 was named trade sales supervisor of the Philadelphia Branch.

George Dlugatch has been named product manager, Dutch Boy Paint Division, New York. Prior to joining the company, Mr. Dlugatch was associated with Nuodex Corp. in technical service and product application and, before that, Keystone Paint and Varnish Corp. as chief chemist for the laboratory. Mr. Dlugatch was graduated from Brooklyn College. He is member of American Chemical Society and New York Society for Paint Technology.
