I knew he was a smart guy! Would have been a fool to not keep you around!

Excellent. Let me draft up an official letter and send it on Monday so you have something official.

Good to meet you, Sydney!

Hey Terry,

So good to hear from you! I am still with Scott and actually doing his advance. I somehow convinced him to bring me to D.C. with him.

I think he would definitely be interested. I am going to copy his scheduler, and my sister, Sydney on this email. She will help flesh out dates and get the appropriate info.

Talk soon,

Millan

Hi Millan!

I hope you're well!

I wanted to reach out to you to see if you had any advice for us. We're looking to host our annual gala in October and we'd like to invite Scott Pruitt to speak. Are you still connected to him? Do you know who we should send a letter to? Do you think he'd be interested?

Please let me know.

Terry
