

INTER-OFFICE
CORRESPONDENCE

TO	Dr. R. A. Kehoe	ADDRESS	Cincinnati
FROM	Mr. O. B. Lewis	ADDRESS	New York
SUBJECT	Can Shipments	DATE	March 7, 1944

We have been unable to discover the correspondence you had with Dr. Calingaert on the ordering of Fluid for outside laboratories. We understand that when he requests shipment, investigation on our part will be unnecessary. However, it might be well if we could have this in writing so that whoever happens to be handling this here at any particular time can be properly guided.

Yours very truly,

O. B. LEWIS
