MEMORANDUM

C-F6-38

DIFFERENTIALS

The differential for 5 gallon packages is 10c per gallon below the price of gallon cans.

Drum quantities of paint products will be invoiced at 15c per gallon below the price of gallons. Unless otherwise specified one time shipper drums of 55 gallon capacity will be supplied. Drums will be equipped with agitators or 15 inch open head when necessary at no extra charge.

Drum quantities of varnishes and kindred products will be invoiced at 20c per gallon below the price of gallons.

If required, 30 gallon drums will be furnished at the same differential as for the 5 gallon size.
