Dr. H. V. Kirby,
Kirby Building,
Harrison, Arkansas.

Dear Sir:

In order that it may receive the best and most authoritative attention, your letter of May 5 about the skin ailment of one of your patients is being sent on to Dr. Robert A. Kehoe, Kettering Laboratory of Applied Physiology, University of Cincinnati. Dr. Kehoe is head of the Medical Department of the Ethyl Gasoline Corporation, and you will hear from him direct.

Sincerely yours,

T. G. Boyd
