

For Oxides of Lead

and other lead pigments, get in touch with us about your requirements.

Our red-lead, litharge, orange mineral, basic lead sulphates and lead acetates can be relied upon for purity and uniformity.

The branch nearest you will be pleased to quote prices and submit samples.

RED-LEAD Dry and in Oil

We manufacture red-lead for all purposes and guarantee our product to be of specified fineness, purity and color.

Battery red-lead, color-makers' red-lead, glass-makers' red-lead, painters' red-lead, varnish-makers' red-lead — these oxides can be had from us, as well as litharge and orange mineral.

For prices and samples, write our nearest branch.
