Thank you for your letter of February 21, 1975 regarding the case. We too are very pleased with the results which have been obtained in this particular case.

This claim contained several rather interesting developments, some of which we know complicated your defense. However, the final outcome certainly justified the effort and time of your office.

Very truly yours,

Dear Mr. Kull:

As you know, we received a favorable Findings from the Workmen's Compensation Appeals Board on January 3, 1975. The applicants had 20 days within which to appeal this decision, and neither we nor our attorneys have received notice of an appeal. Therefore, it appears that this matter can be safely closed. We were ordered to pay certain litigation costs incurred by the applicants, and these total \$170.

I am extremely pleased with the fine results obtained by our attorneys on this potentially dangerous case. Please advise if I can furnish you with any further information.

Thank you very much for your cooperation in the handling of this matter.

Very truly yours,

LIBERTY MUTUAL FIRE INSURANCE CO.
