Lou,

Wanted to circle back on our conversation at the end of our meeting a few weeks ago. We have a stellar policy advisor on our team, Emma Quigg, who is a strong conservative interested in joining the DOE team. She has submitted info to the portal but don't think things have tricked down to her experience level yet. She could be a major asset to the EERE team. Here is her resume. Happy to talk about her further or provide any additional insight. She's fantastic. I'd hate to lose her but want a solid team over there with you all.

Best,
Jeremy
