Dear Ms. Garner:

We are in receipt of your letter of March 28, 1978 concerning  
asbestos content in our products.

Please be advised that we do not specifically analyze our  
products for asbestos content, however our products are manu-  
factured under rigid conditions with close specifications and  
we are certain that our products are not contaminated with  
asbestos. We do not intentionally add asbestos to Monazoline  
O.

If we can be of any further assistance, please do not hesitate  
to contact us.

Very truly yours,

  
George W. Lowry
