Sydney: GPI's execs cannot make either of those two alternative dates work given the pre-existing situation but we are very appreciative of the offer and will come back to you in the future when opportunity arises. Thank you very much! George Baker

My apologies for the delay in getting back to you! Unfortunately, I don't believe we will be able to participate in the speaking event. Are you perhaps in town on the 2nd or 4th where we might be able to have an in office meeting?

Thank you!

Sydney and Aaron: Good morning. The Glass Packaging Institute is hopeful that Administrator Pruitt can be able to accept our invitation to speak at GPI's morning meeting on May 3--see below. To help with our planning, might I please inquire as what the prospects might be? If you have questions feel free to contact Bryan Vickers at bvickers@pacellp.com. Great thanks. Michelle: I hope all is well. I have the pleasure of forwarding the attached invitation to Administrator Pruitt to address the senior executives of the Glass Packaging Institute—which represents the domestic glass industry, including three glass plants in Oklahoma—sometime convenient to him between 8 am and 9:30 am on Wednesday May 3 at the Monocle on the Senate side of the Hill. I presume Administrator Pruitt is well familiar with the Oklahoma glass industry (plants in Muskogee, Sapulpa and Henryetta alone employ 1,200 Oklahomans) and can well appreciate that the entire glass industry is very interested in a range of important initiatives EPA is now undertaking that are of material importance to America's glass manufacturers. I note that Senator Inhofe has agreed to address the GPI execs from 8 am to 8:15 am that morning; if the Administrator would like to dovetail with Senator Inhofe's comments, perhaps at 8:15 to 8:30 or so, that would be marvelous, but GPI obviously would want to accommodate the Administrator at any time that would be convenient for his schedule.

If I can be of assistance, please just let me know. As indicated in the attached formal letter of invitation from GPI President Lynn Bragg, arrangements can be made through Bryan Vickers at 703-403-2882 (bvickers@pacellp.com).

Great thanks!
