NOVEMBER 16TH, 1965

U.S. MINERAL PRODUCTS Co.
STANHOPE, N.J.

ATT: MR. FRANK M. STUMPF

DEAR FRANK:

I HAVE YOUR LETTER OF NOVEMBER 15TH WITH THE ATTACHED COPY OF THE INTERNATIONAL TESTING LABORATORIES REPORT RELATIVE TO THE MONO-KOTE TEST AND THE COPY OF THE INVOICE IN QUESTION. ACCORDINGLY, WE ARE HERewith ENCLOSING OUR CHECK FOR \$50.00. WHICH IS IN PAYMENT FOR OUR SHARE OF THE TOTAL BILL.

I HAD BEEN TOLD OVER THE TELEPHONE BY INTERNATIONAL TESTING AS TO THE RESULTS OF THE TEST, WITH AN INDICATION THAT IT HAD A TENDENCY TO DUST. I AM PLEASED WITH THE INCORPORATION INTO THE REPORT OF THE WORD "TO DUST APPRECIABLY", SINCE THIS COULD BE A FACTOR WHICH WE MIGHT USE IN THE FUTURE IN DISCUSSIONS WITH G.S.A. CONCERNING THE OVERALL TESTING PROGRAM.

NOW THAT ALL THE TESTS FOR IMPACT HAVE BEEN CONCLUDED, WHAT IS OUR NEXT STEP AS FAR AS THE G.S.A. SPECIFICATION IS CONCERNED? I THINK WE SHOULD GET TOGETHER FAIRLY SOON AND DISCUSS THIS MATTER AS TO WHETHER WE CARRY IT FORWARD OURSELVES, OR WAIT UNTIL THE TECHNICAL COMMITTEE OF THE SPRAY FIBRE MANUFACTURERS ASSOCIATION IS FORMED. THIS LATTER SITUATION MIGHT TAKE A LITTLE BIT OF TIME, AND IF IT IS IMPORTANT WE SHOULD ARRANGE TO GET DOWN TO WASHINGTON AND DISCUSS THE SITUATION NOW THAT THE TESTS ARE COMPLETE.

WITH KINDEST PERSONAL REGARDS.

VERY TRULY YOURS,

ASBESTOSPRAY CORPORATION
