Message or Contents

The request of the meeting arrangement with the representative of Dainippon Ink & Chemicals Inc.

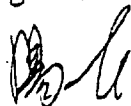

Thank you very much for your reply (on 18th Aug., Fax and Letter) to our request (on 21th Jun.) for the arrangement of the meeting, EPA and D.I.C.

We, D.I.C., would like to arrange a meeting with you, EPA, to discuss the issue of PFOS on 15th Sept. 2000 in Washington DC, if it'll be possible. Place and time, leaving to your option.

As one of representatives of D.I.C., Mr. Ehara (President of Additives & Chemicals Div.) would like to attend that meeting, above.

We would appreciate it if you would arrange an occasion in which we can discuss with Mr. Charles M. Auer about this issue.

Regards;

Masanobu Yumoto
