Tate and Ken,

We enjoyed our conversation and looking forward to furthering the discussion with action. I am in the process of pulling information together that you may find helpful. I also wanted to share with you our video on our beef sustainability full value-chain pilot project <https://vimeo.com/231001855/658c7b4839>. This video highlights how private land stewardship/public benefits can be accomplished through collaboration.

Regards,

Steven and Chad-

Thanks for taking the time to meet with the Administrator last Friday on the day preceding the fatal weather.

I just wanted to make sure you had my contact information, and I will be in touch shortly about scheduling a follow-up call for our working group.

Best.

Tate
