

1 Vandergucht worked around back then, wasn't it?

2 A Yes.

3 Q And when was that job, by the way, sir?

4 When did that take place?

5 A '56, into '57.

6 Q Okay. Did you also work around a product
7 called Zonolite back then?

8 A Yes, we did.

9 MR. DOUB: I object.

10 THE COURT: Overruled.

11 Q Would you tell the jury what Zonolite is?

12 A Zonolite is an aggregate that we used in the
13 plastering products.

14 Q And you used that a lot, didn't you?

15 A Yes, we did.

16 Q You mentioned that also back at one of the
17 jobs you used U.S. Gypsum products; is that right?

18 A Yes, we did.

19 Q You and Mr. Vandergucht used that a lot
20 throughout your entire career, didn't you?

21 A Yes.
