Dave, thanks for the heads up on this.

Frankly, I don't worry about it. More fake news. We're getting more folks through PPO and getting the intergovernmental agency prep ahead of time on a number of these rulemakings. I wish you were still involved. So, we have a lot of actions going on and once that really starts rolling and the budget process really starts rolling hopefully policy stories take over all this gossip rag stuff.

Don't be a stranger.
