Good news. Ken Wagner's office has confirmed his availability to join us on August 8 in Dallas.

We have confirmed a conference room at the Lovefield Conference Center. We will plan for a in/out meeting – let's plan to start at 9:30 am and finish by 3:00 pm. I think that will allow everyone to fly in and out of Dallas Lovefield airport for the meeting. Please let me know if these times do not work for you and we can adjust the schedule.

I am happy to help pull together an agenda or leave it to one of the States to take the lead. Please let me know your preference. I know Sam and Ken will want to spend time walking through the ECOS Cooperative Federalism 2.0 paper in detail.

Best,

David

Sorry for the delay. We are planning to move ahead with planning the EPA/State Director meeting on Aug 8 at Lovefield conference center. Ken will not be able to confirm his schedule until closer to the date. Please place a hold on your calendar.

I agree with Becky and Bryan that a joint meeting would be a good thing. Last week of July or anytime in August would probably work for me.

By the way, Jo Huntington has retired. Her replacement (at least temporarily) is Linda Vigil (linda.vigil2@state.nm.us).

Thanks,

Butch

This should be very productive. I'm interested! Having Ken Wagner join should be an excellent addition.

Subject: State Director's Meeting

Good morning,

Acting Regional Administrator Sam Coleman asked me to canvas the group and gauge your interest in having a State Director's meeting later this summer (July/August timeframe).

If there is interest, we would like to begin working with your point-of-contact to select a date and location. We are happy to handle the meeting logistics from Dallas.

We'd also like the agenda to reflect your priorities and interests and are happy to seek out any subject matter experts needed to support the meeting. Sam would like to invite Ken Wagner Administrator Pruitt's Senior Advisor for Regional and State Affairs to join the meeting - if that is agreeable to the group. I know that many of you have met Ken but for those that haven't - his bio is attached.

Please let us know your thoughts by June 15.

Thanks,

David Gray
Acting Deputy Regional Administrator
