**Subject:** Follow up regarding Administrator Pruitt additive manufacturing site visit

Ryan and Samantha—I hope you are both well. I am following up on the brief discussion with Administrator Pruitt regarding additive manufacturing in the conversation regarding the ICAO aircraft standards.

Attached is an invitation for Administrator Pruitt and his team to visit GE's industry leading additive manufacturing facility in October. We are confident this will be a valuable educational opportunity and something that transforms the way manufacturing is thought about in the future.

This could be scheduled as a day trip to Cincinnati. We propose October 4 but will be flexible around the Administrator's preferences.

Please let me know if I can answer any questions. We look forward to seeing you then. Thank you -- Roger

Here it is. Let me know if you'd like me to suggest further changes. Please remember that our manufacturing winners will not be announced or know they have won until the awards luncheon presentation. We look forward to seeing you tomorrow.

Thank you so much, Millan. Just wanted to give you an update that we made some edits as well as additions, such as our Manufacturer of the Year award winners (a surprise until the award is handed out tomorrow) and other honored guests, and will provide it to you as soon as the AMC/Chamber staff finishes their edits.

Dawn
