The Governor is doing his weekly press conference at that time and the advisory has already gone out for it.

Is there any chance we can move the call up to 11? If not, no worries.

The best number to reach the Governor is his cell phone: Ex. 6

Is there a good number where we can call you all at 10:45?

How long do you expect the call to last? I think 10:45 am ET will be best but he has something at 11.

Tate-

The Governor is available by phone next week if you'd like to do a call with him.

Matt and Lauren-

Sorry for blowing you all up this week! Separate issue below:

Pruitt is calling a handful of specific Governors on NPL proposed sites on Monday. Since the Gov. is away next week, could you help me connect with the best POC on your team for Kell Kelly (cc'd) to reach out to on the staff level either today or Monday?

Thanks for your help!

Tate
