Dear Mr. Langhorne:

The physical examinations requested in your letter of June 11, 1980 have been completed in accordance with the Medical Surveillance Guidelines furnished us.

We submit herewith the individual reports for your employees who are working in the regulated area of the coke ovens at ARMCO, Inc., Middletown, Ohio.

It is our hope that this type examination will serve the needs of your company and these employees at this time; and, we will of course be most happy to perform the periodic examinations at the appropriate times.

Thank you for allowing us to perform this service for you.

Very truly yours,

Middletown Medical Center, Inc.

Dear Walt,

This letter confirms your conversation with E. D. Levey, President of McGraw Construction Company, Inc., concerning the availability of physicals for our employees working in the regulated areas of the Coke Ovens at Armco Inc., Middletown, Ohio.

I am enclosing a copy of the Coke Oven Emissions Standard 1910.1029 and 1910.1029 (p) Appendix "A" and "B", which contain requirements for Medical Surveillance on Pages 800 and 801, and Medical Surveillance Guidelines on Page 806.

At the present time we have four (4) employees working in the regulated area of the Armco Coke Ovens. They are equipped with Wilson 1200 Series Inter-changeable Respirators, which are approved by NIOSH (National Institute for Occupational Safety and Health).

The monitoring requirements of the Coke Oven Standard are being accomplished by the Industrial Commission of Ohio Division of Safety and Hygiene.

This information is being forwarded in anticipation of our request for physicals described in the enclosure.

Please call if I can be of any further assistance.

Sincerely,

McGraw Construction Company, Inc.

Donald L. Langhorne
