Dear Tennille:

I understand that there may be concerns with the progress of the Recovery Kingdom Program.

The information below are activities that I would like to work with and are a good connection with Ms. Hardin's work. The group may need a 1-2 week in-service to make decisions about a future Facilitator. The group can be continued for Tuesday, January 9th and there not be a session for Tuesday, January 2nd. I apologize for the delay in handling this. I will stop by early tomorrow, January 2nd to follow-up. Again, I apologize.

Their group meeting time is still Tuesdays at 2 PM. I would still like to do field trips and film also. There are about 4 people that participate.

ACTIVITIES FOR JANUARY 2018

1. The 2 photos with this email are of materials for the Refrigerator Magnet Project. I still have to purchase the paint/paint brushes and prime the canvases with a solid 'Black' color (The color-Black can be a background for any designs they want to paint). I also will put the magnet on the canvases.

This is something that will help relieve certain stress and they can have for home-use.

2. The 2 PDF Files with this email are about the topic of Boundaries. Both of these worksheets are to be used and carried-out together.

Thank you.
