EPA 307a?

Raymond E. Johnson, Esq.
General Counsel
Electronic Industries Association
2001 Eye Street, N.W.
Washington, D.C. 20006

Dear Mr. Johnson:

You will find enclosed our draft of objections to be filed on Monday with the EPA. Will you kindly provide us with your comments. Further, we need to know in advance of the filing date whether any of the members of the Ad Hoc Committee wish to have us affirmatively state that, although they are members of the PCB Ad Hoc Committee, they do not join in the objections. As you can see, our draft objections do not spell out who the members of the Ad Hoc Committee are. At some point, obviously, we will have to make that clear. I am worried now about the question of affirmative representation that certain companies may wish us to make in our initial paper.

Sincerely,

Peter J. Nickles
