Yes – please come to WJC NORTH entrance. Once you get through security, give Valerie a call at: 202.564.1016. She'll come down to escort you up.

Hey Mandy – I hope you're having a good (albeit rainy) Monday. We'll look forward to seeing you tomorrow at 11 am at EPA (North building, I presume??). My cell is 202-615-7192 if anything comes up between now and then. See you tomorrow! Will

PS Valerie, we'll plan to give your name at the security desk unless you instruct me differently. Thank you!
