

OZONE
TRANSPORT
COMMISSION

nametags for all attendees, so we will appreciate knowing this information in advance of the meeting.

EPA participants other than the four official OTC members or their designees have the option of paying the \$125 registration fee or attending as a member of the public. The meeting registration fee helps to cover the cost of the meeting facility and breaks, and entitles payees to meeting materials and lunch. If you are not an EPA member of OTC but only wish to have the meeting materials and not attend the lunch, you can purchase the materials at the meeting registration desk for a fee of \$20.00, payable by cash or check.

Please let us know if you have any questions.

Hope to see you there!
