**Subject:** CERAWeek 2018 Speaking Invitation  
10-11-17 Mr. Scott Pruitt - 2018 CERAWeek Invitation.pdf  
2017 Speaker Select List.pdf

Hi Millan,

It was great speaking with you earlier today. As we discussed, attached is an invitation from Dan Yergin for Scott Pruitt to speak at CERAWeek 2018, scheduled March 5-9, 2018 in Houston. I believe that Dan has already invited Administrator Pruitt to speak. The best days would be either Wednesday or Thursday, March 7 or 8. That said, we could accommodate almost any day that week. The format of his address would be the same as CERAWeek 2017.

We are excited at the prospect of Administrator Pruitt's participation at CERAWeek 2018. Thank you for the consideration. Please let us know if you need anything further at this point.

Kind regards,

Richard

US Environmental Protection Agency  
1200 Pennsylvania Avenue, N.W., Mail Code 1101A  
Washington, DC 20460 0265

Dear Mr. Pruitt,

I would like to extend to you a most cordial invitation to speak at CERAWeek 2018 – IHS CERA’s annual Executive Conference in Houston, Texas, March 5-9, 2018. Your remarks would be very timely and of great significance for this influential gathering of top global energy executives and leading members of the policy, financial, industrial, and technology communities, as well as leading institutional investors.

As you know, CERAWeek is widely considered to be the most prestigious annual meeting of the world energy industry and has great impact on the global energy agenda. It has also been rated among the top five overall “corporate leader” conferences in the world. This year it included over 3,400 participants, representing 60 countries.

The conference would provide you with a unique platform to share your thoughts and perspective— and with a podium to communicate important messages that have lasting impact for the industry and beyond. The conference receives strong media attention and this year we had well over 300 media representatives from around the world.

The conference also provides a number of additional opportunities for small discussions and private meetings that are very constructive in terms of what is accomplished. I very much hope that you will be able to participate in what will be a landmark event. Your office can reply directly to me ([daniel.yergin@ihsmarkit.com](mailto:daniel.yergin@ihsmarkit.com)), or to my colleague Dianne Russell ([dianne.russell@ihsmarkit.com](mailto:dianne.russell@ihsmarkit.com)).

Thank you for your consideration.

With kind regards and best wishes,

A handwritten signature in black ink, appearing to read "D. Yergin". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Daniel Yergin
