Try a little "touching up" about your home, and note the magic change!

Use Decorat Varnish Stain for refinishing varnished surfaces in popular wood-finishes such as Oak, Rosewood or Walnut. It stains and varnishes at one operation and is so easy to apply.

For furniture or floors that are merely dull and drab, use Fullerwear Varnish, and make them shine again.

Bright enameled effects, now so much the vogue, can be created by using Decorat Enamel. It comes in ten colors, enabling you to completely and economically redecorate the furniture in your breakfast room, bedroom, kitchen or sun porch.
