MR. PURCELL: -- HH. This is -- this may be just a bulletin, it's dated June 4, 1974 to the Asbestos Study Committee from E. W. Drislane.

(Exhibit HH, 6/4/75 Drislane Memo, marked for identification)

BY MR. PURCELL:

Q If you could take a moment to familiarize yourself with that.

A (Complies.) Now what's the deal? This thing here is a so-called cover letter to them and you are throwing this thing in here with it. This is another report from the same damned report we had before.

Q No, it's some of -- it's the items mentioned in your letter that you are supplying?

A Is this what we are talking of here?

Q Yes, sir.

A Can I give you this back? What's this here? Is this part of it?

MR. FRIESTEDT: Can we just clarify what document he is looking at exactly?

MR. PURCELL: Sure.

BY MR. PURCELL:

Q You have a cover letter, which is the first page
