We need to discuss before I accept the invitation.

I can speak on behalf of Administrator Pruitt, but not the Administration as a whole and not on behalf of the President.

Robin can you set up a time for us to talk?

Dear Ms. Dravis,

Thank you for your willingness to participate in our event this Thursday morning. I'm looping in my colleague Kaleigh who can send you the event invitation and details on the logistics. She can also send you the report that we'll be releasing on Thursday on the same general topic as our event.

As for the program Thursday, I will open the intimate, off the record conversation and turn to our moderator, David Gordon for speaker introductions. Then, we would like to invite you to offer brief remarks (5-8 minutes) to discuss the U.S. administration's agenda for international climate and environmental leadership following the President's indication that the U.S. will depart the Paris framework on climate change. We will then turn to Elgie Holstein from EDF to contribute some ideas about opportunities for U.S. climate leadership outside or alongside the Paris framework. We will then open the conversation to the group, which will be comprised of an array of stakeholders from the energy industry, environmental community, and policy analytical/policymaker community.

Let me know if you have any questions and we look forward to hosting you Thursday.

All the best, Liz
