Dear Ryan,

I hope this message finds you well. Thank you for your efforts regarding the ACOEL's request to meet Administrator Pruitt! I very much appreciated the opportunity to discuss it with you, especially given your time commitments. With this email, I am hoping to follow up on our April 5, 2017 email below and for your convenience, included Sharnett.

With great appreciation of the demands on your time, I had an opportunity to visit with Ken Wagner at the recent IOGCC meeting here in Oklahoma City. Ken has offered to assist with ACOEL's request, and so I have copied Ken here as well.

Thank you again for your efforts.

Sincerely, Mary Ellen

Subject: Introducing the American College of Environmental Lawyers

Dear Ryan,

The American College of Environmental Lawyers would like to meet Administrator Pruitt to introduce the Administrator to the College. The officers of the College propose a short, informal meet and greet visit with a small group of College members.

The College is a professional association of distinguished lawyers from all 50 states and the District of Columbia who practice in the field of environmental law. Membership is limited to attorneys who are recognized by their peers as preeminent in their field and have practiced environmental law for at least 15 years.

If this visit works with the Administrator's schedule, please suggest some dates that would be convenient and we will get back to you and confirm. We very much appreciate the opportunity and look forward to hearing from you.

Sincerely,

Mary Ellen Ternes

Secretary, ACOEL
