Hi Al,

It looks like 7:30AM-9AM will work on 10/4 for the Administrator, so we graciously accept your invitation. Would you be able to update your original request form to reflect the new date/time? I've attached for your convenience. It's helpful for us to see arrival time, run of show, etc. I understand you're traveling so whenever you get back and have time, that would be great.

Thank you so much and we look forward to this event!

Millan, Hayley and Aaron:

I wanted to make sure you have my mobile phone number in case you needed to contact me over the next few days because I am going to be on the road.

I really appreciate all of your help finalizing the time for our Board of Directors' meeting with the Administrator.

Aaron - If the Administrator is able to meet with our Board members the morning of October 4th, then the lunch with Mr. Jackson at noon on the 4th would work well for their current schedule.

PS - I am not sure if I mentioned it, but I started my career at EPA in 1985 and worked there for many years before joining Occidental in 2000. I loved it and I hope y'all are having a great EPA "experience" like I did.

Hi AI

I received your voicemail saying October 4 from 7:30am - 9:30am (preferred time) or 12:00pm - 2:00pm would work for your Board to come meet with the Administrator.

I am now looping in my colleagues Millan Hupp and Hayley Ford who will be reaching out to you to confirm a time with the Administrator. Also, Ryan said he would come join you on October 4 or 5, so lets figure that out after a time with the Administrator is scheduled.

Thanks again.

Thanks Aaron. I am certain our Chairman & CEO would really appreciate the opportunity to explore times on the 4th.

May I share the schedule with you tomorrow?

Thank you,

AI

Unfortunately we will not be able to accommodate the request to meet with the Administrator on October 5. However, there may be a possibility of scheduling some time on October 4. Is there a window of time that would possibly work?
