FEDVIP and FSAFEDS—save more together!

Dear MS. HUPP:

Thank you for your participation in the Federal Employees Dental and Vision Insurance Program (FEDVIP). Now you can choose to save more money by enrolling in FSAFEDS, the Federal Flexible Spending Account Program.

Why should you consider FSAFEDS?

With FSAFEDS, you can save about 30% on out-of-pocket expenses not covered under your dental and/or vision plan(s). FSAFEDS offers substantial tax savings by allowing you to pay for out-of-pocket health and dependent care expenses with pre-tax payroll contributions. Eligible expenses may include prescriptions, copays, deductibles, and other health care expenses. There's even an option to help you save on child or elder care expenses.

Explore all the FSAFEDS [options](#) and review [eligible expenses](#) by visiting [FSAFEDS.com](#).

Enroll in FSAFEDS today and save more in 2018!
