Hi Aaron,

I just wanted to follow up on Karen Harbert's note from Wednesday regarding Administrator Pruitt's participation in the U.S. Chamber's Energy Forum next Tuesday. Please let me know if there are any concerns with the proposed Q&A topics. Also, could you let me know when we should expect the Administrator to arrive? (We recommend no later than 9:45 a.m.).

Thanks!

Aaron,

As promised, please find proposed questions for Administrator Pruitt attached. Last time we spoke you indicated that you thought the Administrator would speak for about 10-12 minutes allowing 18-20 minutes for questions and answers. Please let me know if that has changed and please feel free to add, change or delete any of the attached questions.

Many thanks,

Karen
