Hey Terry,

Thanks! We still aren't for sure. We are working on trying to sort out Fall events but we have pending international travel. I'm sorry I can't be of much help right now, we are planning to discuss further on Friday.

Thank you!

Hi Sydney and Aaron-

I wanted to loop in our event planner, Allegra Hewell. She's great to work with, and I apologize for not bringing her in sooner.

Can you let us know if September 28th is workable or let us know when you will have a better idea so we can plan accordingly?

Kind Regards,

Terry

Hi Sydney!

I just talked to the hotel and they told us that October is out but sent us September 28th. If that looks fairly open to you all, I will send that formal letter. If not, I will have to find another date.

Please let me know how you'd like to proceed!

Thanks,

Terry

I knew he was a smart guy! Would have been a fool to not keep you around!

Excellent. Let me draft up an official letter and send it on Monday so you have something official.

Good to meet you, Sydney!

Hey Terry,

So good to hear from you! I am still with Scott and actually doing his advance. I somehow convinced him to bring me to D.C. with him.

I think he would definitely be interested. I am going to copy his scheduler, and my sister, Sydney on this email. She will help flesh out dates and get the appropriate info.

Talk soon,

Millan

Hi Millan!

I hope you're well!

I wanted to reach out to you to see if you had any advice for us. We're looking to host our annual gala in October and we'd like to invite Scott Pruitt to speak. Are you still connected to him? Do you know who we should send a letter to? Do you think he'd be interested?

Please let me know.

Terry
