Subject: From Owen Dyer, British Medical Journal, re transparency rule change

Hi,

This is Owen Dyer North America news correspondent of the BMJ. Can you tell me anything about the timing of the proposed new requirements for transparency in research? Has a date been set? Has the 30-day comment period opened? Where might people go to comment?

And is there any more detailed explanation of the plan than the one laid out

here: <https://www.epa.gov/newsreleases/epa-administrator-pruitt-proposes-rule-strengthen-science-used-epa-regulations> ?

Thanks very much,
Owen
