My dear Doctor:

This will acknowledge receipt of your kind
letter of May 19th for which I wish to sincerely thank you.

From a medical standpoint, I know this case
looks very far fetched, but I am sure you also realize that
we are never sure of what the outcome of this character of
case will be when submitted to juries, and I want to make as
good showing as possible and will thank you and Dr.
Schradin to both arrange to be here by two o'clock Tuesday,
May 31st, and in this connection if anything happens between
now and that date, in any way altering the setting, I will
wire you immediately.

Again thanking you for your cooperation in
this matter, I am

Very truly yours,

K. W. Gilmore
