VCL Emission Reduction EPA

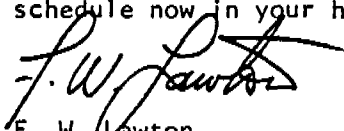

DATE December 29, 1976

Per your request we have reviewed the job schedule regarding requesting "emergency" approval of funds by the Executive Committee in early January. We suggest requesting approval of \$100,000 to start Engineering and purchase long delivery items as required during the interim period between now and the end of February.

The breakdown of funds is:

Portion of Job 15921 (NPDES Permit Compliance required for EPA)	\$ 35,000
PVC-8 PVC Plant Leak Detection-Purchase Analyzers	15,000
Engineering	25,000
Purchase other long delivery items as required	<u>25,000</u>
	\$100,000

We are presently working on the Part I Project Request which is scheduled to be presented to the early February Executive Committee. Items to be included are those shown on the job schedule now in your hands.
