You are awarded the contract for the subject dismantlement. To execute it, please have one of the two attached copies that have been signed by Du Pont signed by an official of your company and his signature witnessed; also insert the date and title of the signing officer. The extra unsigned copy is for your use and may be given to your insurance company if desired.

Return the signed copy of the contract to me along with the following:

- Your check in the amount of \$202,481.60.
- A copy of the notification letter to the EPA regarding the asbestos insulation removal.
- An insurance certificate showing evidence that you carry the insurance shown in Article 12 of the "General Conditions for Contracts Involving Dismantlements" (Rev. 10-83) and in Paragraph 5 of the "Specific Terms." Be sure that your insurance certificate shows that Du Pont is named as an additional insured and that the following paragraph is shown thereon.
- "Mayer Pollock Steel Corporation, contractor in Dismantlement Contract D-3594A, and any subcontractors are insured as to any liability, obligations, or responsibility undertaken by the contractor in Dismantlement Contract D-3594A, among which obligations are those contained in Article 14 (Indemnity) and Article 15 (Non-Warranty) in the 'General Conditions for Contracts Involving Dismantlements' (Rev. 10-83) which is a part of the contract."
