Subject: Invitation | Atlantic Dialogues | Marrakesh | December 13-15 2017

Dear Millan,

I hope this email finds you well.

Please find below and attached an invitation to Mr. Administrator Scott Pruitt to the Atlantic Dialogues conference. Many thanks.

Dear Mr. Administrator,

We trust this email finds you well.

We are honored to invite you to speak at the **6th edition of the Atlantic Dialogues conference**, organized by OCP Policy Center. The conference will take place from **December 13th to 15th, 2017 in Marrakesh, Morocco at La Mamounia Hotel.**

It is the focus of this high-level event to discuss common policy challenges of the countries bordering the Atlantic. Given your expertise in environment issues, we would be honored by your presence and would be pleased to work with you and your staff to identify a prominent speaking role highlighting your vision for climate and environment protection policies across the Atlantic countries.

Launched in 2012, The Atlantic Dialogues has reached a milestone since it has been running for over half a decade. This initiative underscores the growing importance of Africa and Latin America as actors in the Atlantic space and promotes a more comprehensive approach to transatlantic relations by capitalizing on the potential of both the North and South, leveraging on Africa's burgeoning dynamism. To this end, we chose for this year the following theme **"Africa in the Atlantic: Time for Action"**.

The Atlantic Dialogues will feature a range of discussions on social and economic developments facing the Atlantic basin, as well as on foreign policy and security challenges in a region in transition.

We very much hope that you will be able to join us in Marrakesh as we believe that your contribution would add great value to the conference discussions. You will find the actual invitation attached, along with the topical agenda for the event.

Should you have any questions or require any further information, please do not hesitate to contact us at any time.

Best regards,

Nisrine Ouazzani

Program Officer – Atlantic Dialogues 2017 | [OCP Policy Center](#)
