Good afternoon all,

The administrator has asked that we expand the call beyond the trade associations and have as many member companies on the call as possible. I know this is short notice, but would you be able to pull some company/names together?

Much appreciated,

Michael

Subject: Smart Sector Partner Call with EPA Administrator Andrew Wheeler

Hello,

I hope this email finds you well. On April 16th EPA released 8 new sector snapshots, including one for your sector. As a follow-up to publication of the snapshots, we would like to invite you, as well as any representatives from your member companies, to a call with Administrator Wheeler. This call would serve as an opportunity to discuss the snapshots, your participation in the Smart Sectors Program, and other issues pertinent to your sector.

Please respond with any times on Friday, May 1, 2020 that would not work for your organization. Once the call is scheduled, the Smart Sectors Program staff will be in touch with you to confirm attendees and learn of any topics you intend to raise on the call.

Thank you.

Aaron Dickerson
Senior Advisor
Office of the Administrator
