In accordance with the action taken by the Board of Directors at its last meeting, that consideration should be given to the selection of a person to present the Donald E. Cummings Memorial Lecture at our annual meeting in 1945, and that each member of the Board should present his suggestions to the Chairman of the Program Committee prior to its next meeting, I am now informing the Board that Dr. Kehoe, this year's Program Chairman, should receive such suggestions from you not later than November 1.

In all probability, a meeting of the Board of Directors will be held in Pittsburgh some time during the period November 15-16 at the time of the annual meeting of the Industrial Hygiene Foundation. The exact time and place of this meeting will be sent to you after I have been able to make arrangements with Ed Barnes regarding such a meeting.

It will be appreciated, therefore, if you will communicate your ideas concerning the Cummings Memorial Lecture to Dr. Kehoe between now and November 1.

Sincerely yours,

JJB
J. J. Bloomfield,
President.
